Getting Started: How to login to Workday

LOGIN TO WORKDAY

To login to Workday:

1. Click on the desktop **MyApps** icon or enter the URL: https://myapps.microsoft.com/aptiv.com using Google Chrome or Internet Explorer 11.

2. On the next screen, choose your **company email** account listed. You will be automatically redirected to the MyApps login page for **authentication.**

3. Choose the **Workday icon** on your MyApps Homepage.

4. You will now be prompted for a **second level of authentication** (Verification Code via phone, text, or App).

   Note: Your verification code will be received depending on your selection during MFA setup.

5. After authenticating successfully, you will be taken to the **Workday Home Screen.**
