Expert Second Opinions and Medical Advice at No Cost

Nothing matters more than your health and the health of your family members. That’s why Southern Company is dedicated to providing you with quality health benefits to help you make informed medical decisions. We want to remind you of one of these benefits - it’s called Best Doctors.

Best Doctors provides access to 53,000+ medical specialists who have been designated as the best in their field by other doctors. Through Best Doctors, you can:

- **Ask the Expert** - Have your medical case reviewed by a world-renowned specialist who provides a detailed report with treatment recommendations
- **Get Second Medical Opinion** - expert answers to questions about a diagnosis or treatment plan
- **Find Best Doc** - a local specialist who is accepting new patients

It’s an innovative medical benefit that complements the care you receive from your own doctor. And you don’t have to travel or visit a doctor’s office. Best Doctors collects your medical records, calls doctors and handles all the details. What’s more, Best Doctors is 100% confidential and available at no cost to you. Even if you are not enrolled in a Southern Company medical plan, you still have access to the services provided by Best Doctors: Ask the Expert, Second Medical Opinion & Find Best Doc.

Addressing a medical challenge can be confusing and sometimes intimidating. Diagnoses can be hard to understand. Treatment options can be puzzling. And Internet searches can leave you frustrated and frightened. With Best Doctors, you don’t have to go it alone. Instead, you get help from the best medical minds in the world.

If you are facing a medical challenge, call Best Doctors at 866-904-0910 Mon – Fri 7am – 8pm CST or visit [www.bestdoctors.com/southerncompany](http://www.bestdoctors.com/southerncompany). The same Member Advocate will support you throughout your Best Doctors experience. You can be sure you have the right information, the right diagnosis and the right treatment. So you can be empowered to make the right decisions about your care.

---

**Make the RIGHT Medical Decisions**

What’s the RIGHT treatment? Is my diagnosis RIGHT? Is surgery the RIGHT option for my son’s ACL? Who’s the RIGHT doctor for my growing family? Why doesn’t my back feel RIGHT? My doctor says it’s cancer — is she RIGHT?
